Easy Ways to Light Up Your Outdoor Spaces

Whether you want to create an over-the-top winter wonderland or a simple spot of holiday cheer, we have everything you need to set your home aglow this season. From brightly colored lights to whimsical reindeer to shimmering orbs, the possibilities are endless. Here's some of our favorite lights to make your home merry & bright:

INVISILITES

Micro LED lights on a thin, flexible wire (making the wire virtually undetectable). They are easy to use and come in a variety of styles, designs and colors.

- Big Seed for outdoor decorating (larger, brighter lights).
- Connectable (100 lights per strand).
- Connect up to 6 sets.
- Has 8 different functions.
- 100 LED lights in warm white.
- 33-feet long.

Uses: Great for shrubs and finer work like topiaries, vined trellises, and figurines.

*Be sure to watch the video "*Invisilites, the Easiest Way to Light Up Your Holidays.*" available here <https://www.mcdonaldgardencenter.com/light-holidays-invisilites>

LUMINEO COMPACT LIGHTS

LED **compact** light set for use indoors or outdoors.

- 500-1000-1500-2000 lights per strand, 36-74-110-148-feet long.
- Unbreakable and tangle-free.
- 8 functions.

- Built in timer option.
- 50,000 burn hours, almost 6 years of constant burn.
- Available in cool white, warm white, and multi.

Uses: Great for wrapping trees, columns, railings, and using as a border around the house.

TIP: Double or triple strings together for more light.

LUMINEO CLUSTER LIGHTS (CRAB LIGHTS)

LED **cluster** light set for indoor or outdoor use.

- New 448L size, only 10-feet long, perfect size for garlands.
- Tangle-free.
- 8 functions.
- Built in timer option.
- 50,000 burn hours, almost 6 years of constant burn.
- Available in cool white, warm white, and multi.
- \$69.99-\$99.99-\$149.00.

Uses: Amazing in garlands and draped over trees and bushes.

TIP: Twist multiple light strands together to create a garland of light.
